Scholar Athlete Optional Essay Information

**Please note that the essays are not required, but each short answer essay gives the selection committee a better understanding of the applicant. Applicants may complete as much or as little as possible.

1. How has participating in high school sports prepared you for life after high school? Please list specific examples or tell a story when necessary. 200 word maximum
2. How has participating in other out-of-classroom activities, such as music, drama, student government, volunteer work or paid employment, prepared you for life after high school? Please list specific examples or tell a story when necessary. 200 word maximum
3. Write an essay on the importance of sportsmanship in educational athletics (500 words maximum). <u>Be creative</u> – the judges will be reading dozens of essays and you need to make yours stand out!
